

Section Colloquium 2019

THE MODERN ACTUARY - CHALLENGE • INFLUENCE • LEAD
ASTIN • IAAHS • IAALS • IACA • PBSS

ASTIN (Non-Life) has organised 4 in-depth workshops in addition to their Colloquium programme (which incorporates the Non-Life 1-Day ASSA Seminar)

The ASTIN Workshops are of introductory nature and are aimed at Colloquium participants who are not too familiar with the subject matter and wish to familiarize themselves with its basics. In order to embrace the topic in a comprehensive way, the workshops last for half a day.

PRICING WORKSHOP

Tuesday, 2 April 2019

Lecturer: Axel Wolfstein

- Aggregate models
- Collective models
- Individual models
- Generalized linear models
- Long tailed lines of business

RESERVING WORKSHOP

SOLVENCY WORKSHOP

Friday, 5 April 2019

Lecturer: Frank Cuypers

Topics include:

- Economic balance sheet
- Measures of risk
- Available risk capital
- Required capital
- Capital allocation and portfolio optimization

COST:

Included in 4 day Colloquium registration. Included in 3 day Colloquium if you have registered for a 3 day package that includes the day that the workshop takes place. If you have booked a 3 day Colloquium and the workshop day is outside of the 3 days you are attending, simply upgrade to a 4 day package.

If you are NOT registered for the Colloquium, simply register for the 1 day seminar taking place on the day that the workshop takes place. This will give you access to all sessions on that day, including the workshops.
2 April – Pensions Seminar
5 April – Health Seminar

To book, please email Simone Solomons simone@soafrica.com.
Let her know which workshop you would like to attend.
